## POST GRADUATE DEPARTMENT OF ZOOLOGY CHRISTIAN COLLEGE

Chengannur, Alappuzha, Kerala – 689 122  
(NAAC Accredited 'A' Grade College)  
[www.christiancollege.ac.in](http://www.christiancollege.ac.in)

In association with

Jayaraj Foundation, Kottayam

Dear Sir/Madam,

Birds Club International is a non-profit organization that aims at promoting interest in birds, conservation of nature and the environment through public campaigning and education. Started in 2010, by National and International award-winning Indian filmmaker **Jayaraj Rajasekharan Nair**, it is a registered charitable company with the objective of environmental revival, conservation, and promoting sustainable use of natural resources through the focus on Birds to convey its message. This green initiative intent to create Rain Groves (Miniature Forests) in the rather dull concrete jungles of our world. These groves will build sustainable ecosystems which would also help in soil and water conservation. These would become homes to a number of birds' species, insects, animals and plants that help preserve nature. By participating in this project, we all will get the opportunity to reconnect with nature and thus take forward the call to protect the Earth that we share. We cordially invite you to the inauguration & solicit your co-operation in our future endeavours.
