

Research projects Completed

| Sl. No | Title of project | Funding agency & Amount Allocated | Department & Period of Project | Name of PI and Co-PI |
|--------|---|-----------------------------------|--------------------------------|----------------------|
| 1. | Globalization and Impact on Agriculture: A Case Study of Kerala Economy | UGC Rs. 25,000 | Economics 2004-06 | Dr. Manju S. Nair |

:

| Sl. No | Title of project | Funding agency & Amount Allocated | Department & Period of Project | Name of PI and Co-PI |
|--------|--|-----------------------------------|--------------------------------|--------------------------------------|
| 2. | Synthesis of ultra-fine Magnetic Particles for Application in High Frequency Magnetic Cores and Magnetic thin Film Sensors | KSCSTE Kerala Rs. 4,49,000 | Physics 2006-09 | Dr. Vinoy Thomas Mr. Hysen Thomas |
| 3. | Rhythmic precipitation patterns in diffusion controlled systems | UGC Rs. 65,000 | Physics 2006-08 | Dr. Jacob George |
| 4. | Fabrication of magneto- impedance based sensors | UGC Rs. 80,000 | Physics 2006-08 | Mr. Hysen Thomas Dr. Jacob George |

| Sl. No | Principal Investigator | Title of the Project | Amount (Rs.) | Funding Agency |
|--------|--|---|--------------|----------------|
| 5. | Dr. Desy P. Koruthu Department of Chemistry | Thermal Studies of Metal Complexes Based on Cross-Linked Polymer Supported Ligands and its Application in Certain Organic Reactions | 50,000.00 | UGC |
| 6. | Prof. Mariamma Varghese Department of Mathematics | Study on Differential Algebraic Equations | 40,000.00 | UGC |
| 7. | Nidhi Alex M. Ninan | Conventional to ICT Based Libraries | 50,000.00 | UGC |
