

Name : **Molice Thomas**

Age & Date of Birth : 52 yrs, 11.05.1957

Religion & Denomination : Christian, CSI

Designation : Selection Grade Lecturer

Home Address : Kaipuraidom House
Angadical (P.O)
Chengannur – 689 122

E-mail : molicethomas@gmail.com

Phone Residence : 0479 2454900
Office : 0479 2452275

Teaching experience : 27 years

Research experience : 1 year

Administrative experience : Chief Superintendent for University
Exams

Educational qualifications : M.Sc., M.Phil., B.Ed

Research Details : Environmental Science

Research Papers Published

Studies on soil fertility for enhancing crop intensity at chengannur in alapuzha, kerala – Acta Ciencia Indica – VOL XXXV c.no.1,25 (2009).

Secondary accelerator studies of Benzothiazoloylthiazoles synthesised by microwave assisted methods – Journal of Applied Polymer Science Communicated (April 2009 – 2010)

Work Shops/ Seminars Attended

National Seminar on “Recent Trends in Organic Chemistry” on 16 – 18th January 2009.

Academy of Chemistry Teachers “Computational Chemistry” on 16th Oct 2008.

National conference on “*current trends in material science*” on 25 – 27 March 2007.

National Seminar on “*the cutting edges in resonance spectroscopy*” on 30th September and 1st October 2005.

National seminar on “*Noval trends in organic and Photochemistry*” on 21 – 23 February 2005.

National Seminar on “*Environmental impact on human health*” on 16th January 2004.

Workshop for college chemistry teachers by FCBS on 17 – 19th November 2003.

Workshop for college chemistry teachers by FCBS on 29 – 31st January 2003.

V.V. Achenkunju memorial science seminar on 14th January 2003.

ACT group theory on 14th December 2002.

Seminar on “*Urban waste management*” on 25th April 2002.

Workshop on “*Environmental law for Environmental students*” on 3rd December 2001.

ACT topical lecture programme on 20th January 2001.

ACT topical lecture programme on 13th January 2001.

Prof. Rev. K.C. Mathew Endowment Lectures on 30th October to 1st November 1997.

All Kerala Science Conference on “*Application of Isotopes and Radiation Technology*” on 24 – 25 November 1995.

Workshop on “*Innovative methods of Chemistry Teaching in Colleges*” on 19 – 23rd March 1991.

Refresher Courses attended

Refresher Course in Environmental Sciences by University of Kerala on 14th March to 4th April 2002.

Refresher Course in Environmental Sciences by M.G University on 6th January to 30th January 1999.

Refresher Course in Chemistry by University of Kerala on 2 – 23rd December 1993.

Organizational and Administrative experience

Member of ACT (Academy of Chemistry Teachers)
