Walk With A Scholar (WWS) Programme

CHRISTIAN COLLEGE, CHENGANNUR

- The WWS unit of the college functioned during 2016-17 with 90 mentees from 9 Departments.
- 15 members of the faculty namely Dr. Jisha John, Dr. Vinoy Thomas, Dr. Annies Joseph, Dr. Rani Abraham, Dr. Anej Somaraj, Dr. Jyothi Kanchan, Dr. Preetha Karnaver, Jolly Alex, Jim Chacko, Pheba Ann Zachariah, Dr. Hysen Thomas, Dr. Abilash R., Dr. Sujesh Baby, Basil Thomas and Linchu Elizabeth Samuel served as internal mentors.
- 70 hours of external mentoring on topics such as Confidence Building, Public Speaking, Team Work, Resume preparation, Self Introduction, Communication in English, Participation in Group Discussion, Developing Interview Skills, etc., were provided to these students during the year.
- Raison Royal of the final year was dropped from the programme due to shortage of attendance and Anish T. Eapen was added during the year.
- Dr. Susan Abraham served as Staff Coordinator.
- Jishnu S. Nair, Tania Ann Varghese, Sam P. Raj, and Anusruthy P.S. served as student coordinators.

Selection of New Mentees

- Applications were invited from interested first year students to join the WWS programme. Sixty two students applied – 16 from the Department of Physics, 9 each from the Department of English and Commerce, 8 each from the Department of Economics and Zoology, 5 from the Department of Mathematics, 4 from the Department of Chemistry, 2 from the Department of Botany, 1 from the Department of History. WWS Co-ordinator, Dr. Susan Abraham, explained the programme to the students and showed them a short video of the various activities organised under the WWS banner during 2014-15 and 2015-16. They were made to understand in details what was expected of them, if they were selected to join the programme. Fifty three students were short list after a written round. Thirty students were shortlisted and finalized after an extempore and interview round.
- The first meeting of the first year mentees was held on Saturday, 6th October, 2016. Their internal mentors were finalized and allotted by the end of August.
- The activities of the second and thirds year mentees continued from the previous year. Mentees with less than 75% attendance were removed from the programme and new mentees were selected from the original selection list. Accordingly, Anish T. Eapen replaced Raison Royal from the final year.

External Mentoring Sessions

- The final year science mentees had an opportunity to interact in person with Prof. Dr. Win Dehaen from the University of Leuven, Belgium who visited the College as part of a seminar programme organised by the Department of Chemistry and Physics. A potential Chemistry Nobel laureate, the interaction was an awe inspiring and motivating one for the mentees. Dr. Joyce his student encouraged the mentees to apply to the University of Leuven after their Post Graduate studies.

Three Day Motivational Visit to Institutions in Mumbai

- The motivational visit of Christian College, Chengannur for the academic year 2016-17 was organised to Mumbai from 26th March to 1st April, 2017. Thirty students undertook the journey accompanied by the co-ordinator and two internal mentors. The visit was arranged to five institutions of national repute in Mumbai - Central Institute of Fisheries (CIFE), Homi Bhabha Centre for Science Education, Xavier Institute of Communications, Tata Institute of Social Sciences and Bombay Natural History Society, Mumbai.
- The two day train journey to Mumbai began on 26th March from Kayamkulam railway station. The group arrived at Mumbai Lokmaniya Tilak Railway Station at 5 pm on the eve of 27th. Accommodation was arranged at The Tata Institute of Social Science, Deonar, Mumbai.

Central Institute of Fisheries Education (ICAR -CIFE)

- The first visit was organized to Central Institute of Fisheries Education (ICAR -CIFE), Varsowa on the morning of 28th March. The Central Institute of Fisheries Education (CIFE) is the only deemed university and institution of higher learning for fisheries in India. The institute is one of the four institutes operating under the ICAR. It conducts post graduate and research programmes in core and emerging disciplines of fisheries science. The group travelled by local train and metro to reach the destination which was a different experience for them.

- The mentees were received by Dr. Annam Pavankumar, Scientist in Fish Genetics and Biotechnology, Mr. Mujahid Khan J. Pathan and his team. He spoke about the programmes offered by the institute and the procedure for applying and admission. He also took special effort to take the mentees on a tour of the various lab facilities and demonstrate to them the use of the various instruments used in the lab. The mentees also had a chance to interact and listen to the details of the research work of some of the scholars – Mr. Deepak Aggarwal, Ms. Sneha, M.S., Sajina K. Asharaf, Mr. Shyam K.R., Mr. Neznaz E.A. and Mr. Benson Kariman. Since 28th was the Maharashtra New Year, it was a public holiday and hence no other visit could be scheduled on 28th. The group returned to TISS and had a meeting in the evening. Feedback of the day's visit was taken from the students and their experiences were discussed.

- Two visits were organised on 29th March. The morning session was to be in the Homi Bhabha Centre for Science Education (HBCSE). It is a national centre of the Tata Institute of Fundamental Research (TIFR) and acts as a nodal centre for Olympiad programmes in mathematics, physics, chemistry, biology, astronomy and junior science. The afternoon visit was to the Xavier Institute of Communication.

Homi Bhabha Centre for Science Education (HBCSE)

- Homi Bhabha Centre for Science Education (HBCSE) is a National Centre of the Tata Institute of Fundamental Research (TIFR), Mumbai, India that promotes excellence in science and mathematics education from primary school to undergraduate college level.

- The group arrived at HBCSE at 9:30 am. The first visit was organised to the Chemistry Department. Prof. Ankush Gupta and Mrs. Swapna M. Narvekar took classes on how to study Chemistry so that the basic concepts were thorough rather than just mugging it up. This was the key to clearing any competitive entrance exam to institutions of national repute. Some chemical experiments were demonstrated and explained. The biology class was taken by Prof. Rekha Vartak and Mr. Vikrant Ghanekar at the Biology Olympiad cell. They explained about the various equipments used in biological research and how to go about studying biology basics.

- The group then moved on to the Collaborative Undergraduate Biology Education (CUBE) lab. Dr. M.C. Arunan, a visiting fellow at HBCSE and G. Nagarjuna, a faculty at the center explained to the students the importance of understanding the structure and dynamics of knowledge (epistemology, knowledge organization, knowledge representation, biological roots of cognition, and education), nature of life and evolution through research. They explained the various activities undertaken in the lab. A whatsapp group of the students was created so that even after the visit scientific experiments and their discussions could continue between them and the mentees.
